

Greenline 48 Third Share [4881]

Description

The flag ship of the Greenline family is the next green innovation that complements the current range of Greenline 33, 39 and 40 while presenting exciting new features such as new interior design, NextGen Hybrid system, comfortable flybridge, two en-suite guest cabins, hydraulic platform, utility compartment under the saloon and many more.

The Greenline 48 Fly is powered by twin Volvo D3 220-hp diesels as well as electric motors. The two motors also act as generators when in diesel mode and they charge three large Lithium polymer batteries. The batteries are also charged by solar power and shore...

General:

Name:	Greenline 48 Third Share
Year:	2018
Price:	\$499,000 NZD
Boat Type:	Power
Hull Type:	Semi Displacement
Location:	New Zealand
Hull Material:	GRP
Engine/Fuel:	Diesel

Dimensions:

- LOA: 14.99m
- LWL: 13.95m
- Beam: 4.80m
- Draft: .98m
- Displacement: 13.800 kgs

Builder/Designer:

- Builder: Greenline

Construction

- Hull in sandwich vinyl ester resin
- Deck in sandwich vinyl ester resin
- Color (RAL 9001)

Cockpit

- Sliding and lift-up door
- Cockpit table and bench incl. cushions and cover
- Stairs to the flybridge
- Stern platform side door
- Swimming ladder
- Storage

Galley

- Worktop and double sink in Kerrock
- Flexible bar to cockpit
- Double Kerrock sink
- Electric oven/microwave
- 224 L refrigerator with a freezer
- Storage
- 2 stove gas cooker

Master Cabin

- 2x scissor berth (80x200cm)
- Reading lights (LED)
- Ceiling lights (LED)
- Storage
- Opening hatch
- Two hull opening portlights
- Curtains

Engines:

- No. of Engines: 2
- Engine Brand: CUMMINS QSB 6.7-380
- Engine(s) HP: 380 hp
- Max Speed: 23 Knots
- Other: 2 x 14 kW electric motor with integrated 2x10 kW generator

Tankage:

- Fuel: 1500 l
- Water: 650 l
- Holding: 160 l

OnDeck

- Anchor locker
- 1500 W anchor windlass 25 kg anchor
- 6 stainless steel cleats
- Stern cleats in stainless steel, integrated fairleads and rope storage boxes.
- Bow railing stainless-steel tube
- Side railing, stainless steel tube
- Cockpit railing in teak
- Opening hatch over bow cabin
- 8 portlights
- LED Navigation lights
- Radar and navigation mast with navigation light
- Stainless steel windshield frame with plexiglass

Flybridge

- Second helm station
- Comfortable navigation seat
- U-shaped lounge incl. cushions
- Fly table
- Radar pole, navigation lights

- Opening hatch
- opening portlight

Guest Cabin

- GUEST CABIN TO PORT & STARBOARD (each same equipment)
- Bed (80 x 200 cm)
- Storage
- Bedside locker
- LED reading light
- LED ceiling lights
- “En Suite” head/shower compartment
- Standing shower with drain.
- Marine toilet
- Washbasin and worktop in Kerrock
- Mirror
- Storage
- Opening hatch

Electrical System

- 2 x Photovoltaic panels 600 W, 12 V Two voltage systems are on the boat: 12V and 230V 50Hz.
- ll systems are insulated with 3 main switches, positioned on the main switchboard.
- AC 230 V panel and fuses
- DC 12 V panel and fuses
- Automatic inverter 12 V / 230V / 3000W
- Shore power pick-up
- Battery charger 60A / 12 V
- AC 230 V sockets in galley, saloon, bow cabin, guest cabin and washroom
- 600 Ah service battery
- Engines start batteries: 2 x 100 Ah (12V)
- Bow thruster and battery
- LED Navigation lights
- Anchor light
- Horn on radar mast

Machinery

- Twin electronic throttle and gearbox controls (at the steering console and fly).
- Gearbox, V drive
- Volvo Penta D3 220HP diesel engine
- Hi-tensile stainless-steel shaft,
- Propeller
- Exhaust system
- 12 V engine room ventilation
- Engine room light
- Fuel filter: a pre-filter with a water separation unit
- Cooling water pre-filter
- 2 polyethylene diesel tanks
- Bow thruster, 2 x control joystick (helm and fly)
- Twin hydraulic steering mechanism.
- Two rudders at stern

Plumbing System

- Water heater 60 L
- Stern shower
- Fresh water (total of 660 L) tanks in polyethylene
- Water pressure pumps
- 2x holding tank (each 80l) with disposal via seacock and deck suction
- Underwater seacocks

Saloon

- Storage
- U-shaped sofa
- Salon table
- Curtains
- LED Ceiling lights

Pilothouse

- Stainless steel handrail
- Instrument panel. Engine controls and instrumentation
- Starboard, a sliding door to the walking deck with a lock.
- 2 x windshield wipers with washing system
