

Selene 45 [4243]

Description

The Selene 45 is an entirely new Next Generation Selene. She is the smallest model of the popular and proven Selene Pilothouse Trawler line. Unlike her predecessor, the galley on the Selene 45 is offset to starboard providing a more spacious and accommodating salon. The pilothouse settee is L-shaped and also offset to starboard. There is room for a small helm chair in the pilothouse as a result.
