

Solaris 60 - near new boat. Jump the queue to have it now.

Description

The Solaris 60 is inspired by the idea of creating a Mini-Maxi, a high-performance sailboat with an overall length of 18.31 m. This length allows the boat to take part in offshore racing in the Mini-Maxi class, including the main event in Porto Cervo, which takes place every year. The main innovation of the Solaris 60 is the cockpit, which features full-width steering...
