

## 2011 sea stellar trawler 53ft

Now available: a well-maintained 53-foot trawler, cared for by a full-time captain and crew to ensure excellent condition and reliability. This vessel is ideal for extended cruising or living aboard, thanks to its generous layout and smart use of space. Powered by twin Cummins QSC 8.3 engines (490 HP each), it offers great fuel efficiency, cruising comfortably at 11 knots with a top speed of 14 knots. The lower deck features three guest cabins and two bathrooms, plus a separate crew cabin at the stern. Inside, the salon showcases solid teak flooring and custom woodwork, creating a warm and elegant atmosphere. The flybridge is spacious and secure, with anti-slip flooring and a stainless steel sunshade. The dual helm station includes hydraulic steering, GPS, VHF, depth sounder, rudder indicator, and bow thruster for smooth handling. A 13kVA Onan generator supports onboard systems, with regular servicing for both engines and generator. Tank capacities include 2000L fuel, 500L fresh water, and 220L black water. **Specifications:**
