2019 Absolute Navetta 48

2019 Absolute Navetta 48 – GOODPRICE with LOW ENGINE HOURS!

Space and light merge into a single concept: the real protagonist aboard the Navetta 48. With this yacht, Absolute has captured the essence of the Navetta line. This comfortable boat is perfect for long journeys: she has ample storage, including large closets, and an aft crew cabin with a private head accessible from the stern platform.

The outdoor space is unparalleled compared to similar boats in this segment. It offers a very high level of livability and comfort throughout the exterior accommodations.

The flybridge has no steps from front to aft, while the dashboard, centrally and ergonomically placed, provides a sun lounger that accommodates up to five people. Aft on the bridge is a

spacious living area with a U-shaped sofa, a teak dining table, and a galley equipped with a refrigerator, an ice maker, a barbecue, and a sink. All of these amenities make the terrace the perfect spot to enjoy the most beautiful hours of the day.

The bow is easily accessible via walkways, protected by the fly's cover, and offers a comfortable, modular relaxation area.

TANKAGE

Fuel:	1800L
Water:	530L
Holding:	Yes

ENDLESS VIEWS

The lower deck has three cabins, two heads, and four sliding doors that maximise livability. All cabins have ample windows for unparalleled, panoramic views.

The master cabin is raised and placed transversely to the bow. This main suite is the result of meticulous, unbiased engineering, offering a remarkable surface for yachts of this size. Its large double bed has plenty of room on either side, and the ceilings are high. The furniture includes a large closet, a vanity area with a seat and a desk. Additionally, the head is en-suite and has a separate full shower.

The half-beam VIP cabin has the same features as the master one, but is located aft.

The third guest double cabin has separate berths, while the fourth cabin, placed aft, can accommodate an extra guest or crew.
