2019 Absolute Navetta 48 feeling more like a 52–55 ft yacht

His Absolute Navetta 48 will definitely attract boaters with its volume and natural light.

They made her very efficient, with ergonomics on all decks well thought out in the interior. The exterior look is inspired by the new fast trawler, but with its two Volvo IPS 650s, it can reach 26 kn, which is very fast for this category.

The **Absolute Navetta 48** is a 48-foot cruising yacht with a flybridge, launched by the renowned Italian yacht builder Absolute in 2017. As entry-level introductions to the world of offshore trawlers go, there is unlikely to be anything more impressive, more stylish or more envied than this yacht. Superb fuel efficiency, a double-height snub-nosed bow, a rugged ocean-ready hull and powerful engines have been paired with an ultra-stylish, futuristic

superstructure and interiors that are the height of Italian elegance. Cutaway gunwales, faceted angles, wrap-around glazing, hand-finished living spaces and high-class materials abound aboard this yacht, the smallest in the current Navetta range. Little wonder, then, that the Navetta 48 won the title for 'Slovenian Boat of the Year' at the 2019 Plovilo Leta awards.
