A CATAMARAN BULT TO GO FAR – REALLY FAR

Designed for serious blue-water cruising in full autonomy, *Takaya* stands among the most comprehensively equipped Excess 14s ever delivered.

Her specification allows for long-term living aboard, far from marinas, without compromising comfort:

- Over **3000 W of solar power**
- **1200 Ah Victron lithium battery bank**
- **Aquabase watermaker (105 L/h)**
- **Three refrigerators and two freezers**
- **Full-size washing machine**

Every detail has been considered to deliver true freedom at sea.

With this cat, you are not simply choosing a cruising catamaran—you are choosing a sailing experience.

Designed by world-renowned naval architects **VPLP**, the Excess 14 achieves a rare balance between helm sensation and offshore comfort.

This particular yacht features a performance-oriented configuration:

- **Pulse Line rigging**
- **Extended bowsprit**
- **Square-top mainsail**
- **Large genoa**
- **Elvström MPS downwind sail**
- **Electric winch**
- **Flatwinder mainsheet traveller system**

Her architecture—low boom, reduced freeboard, low centre of gravity, asymmetrical hulls, and fine entries—delivers responsiveness and sailing pleasure rarely matched in cruising catamarans.

ALREADY PROVEN OFFSHORE AND AVAILABLE IN POLYNESIA

Originally delivered in the Mediterranean to a sailing family, *she* has already completed an impressive journey: crossing the Atlantic, cruising the Caribbean, and reaching the Pacific all the way to Tahiti.

This is not a boat fresh out of the yard—it is a yacht that has already demonstrated her reliability, performance, and true blue-water capability.

This cat represents a unique opportunity to acquire a recent, fully optimised Excess 14 without waiting time—ready to sail away.

A catamaran designed to explore.
A yacht ready to write the next chapter of your story.

DESIGNED FOR LIFE AT SEA IN FULL AUTONOMY

This cat offers a layout that is both elegant and highly adaptable, perfectly suited for extended cruising.

Configuration:

- **3 cabins**
- **1 dressing room / workshop convertible into a 4th cabin**

The owner's hull features an innovative and highly functional design:

- A **spacious double cabin**
- A dedicated **office/workspace**, ideal for remote work
- A **central ensuite bathroom**
- A large **dressing/storage/workshop area**, convertible as needed

Interior volumes are generous, bright, and thoughtfully designed. The style is modern, clean, and perfectly suited to long-term living aboard.

*O*ffered in a fully operational, turnkey condition, ready to sail immediately:

- Complete **Garmin electronics suite** (dual 12" displays, radar, AIS, autopilot, VHF)
- **Skylounge** and full cockpit enclosure
- **Cockpit and foredeck sunshades**
- **57 HP engines with folding propellers**
- **3.40 m dinghy + 20 HP outboard**
