

Absolute 52 FLY – 2023 Model, Fully Equipped and Ready to Cruise

This **next-generation Absolute 52 FLY**, available immediately, is in near-new condition and fully prepared for the 2025 season. With only **220 engine hours**, this yacht offers a rare opportunity to acquire a recent, highly upgraded unit with exceptional features and comfort.

Smart Design & Modern Comfort

The latest version of the 52 FLY introduces a redesigned layout with an open terrace-style cockpit and a reconfigured flybridge galley positioned aft for improved space and usability. The forward master cabin benefits from generous volume and stunning natural light thanks to large lateral

windows. Two additional guest cabins include one with an **electrically convertible bed**, allowing for either twin or double configuration. The lower deck is completed by **two elegant bathrooms**, finished with premium materials and thoughtful details.

Premium Equipment & Technology

This yacht is packed with high-end features:

- **Seakeeper Gyro 9 stabilizer**
- **Hydraulic teak swim platform**
- **Full teak exterior decking**
- **Hard Top with integrated solar panels**
- **GARMIN GPS with triple screens**
- **Autopilot and Volvo DPS (Dynamic Positioning System)**
- **Bow thruster and third helm station**
- **Crew cabin with air conditioning and private access**

Onboard comfort includes:

- **Air conditioning throughout**
- **Onan 17.5kW generator**
- **Wine cooler, ice maker, washer/dryer**
- **Electric retractable TV in the salon**
- **Fusion stereo system**
- **Electro-hydraulic gangway**
- **Full protective covers for winter storage**

This Absolute 52 FLY combines cutting-edge technology, refined Italian design, and practical innovation—perfect for owners seeking style, performance, and autonomy at sea.
