

Absolute 56 Fly 'Charisma'

WHEN CHARM AND PERSONALITY INSPIRE YOUR NEXT ROUTE

56 FLY – Charisma is a proven mix of engineering innovation, Italian design and a passion for details: it stands out with its personality, comfort and versatility, captivating lines and onboard living space, for you to experience the pleasure of the sea freely and to fully enjoy its boundless panorama.

“**Charisma**” encapsulates the essence of 56 FLY, which brings together and builds on the most successful features of previous boats. Universal and recognizable, but also unique and personal: charisma means many details and nuances that anyone can relate to. The charisma of a boat with

a strong personality inspires enthusiasm and energy, attracting others with its prestige, but most importantly, a boat that invites the owner to experience its charm and discover their reason why it is everything they had always wanted

BOUNDLESS VIEWS AND UNCOMPROMISED COMFORT

The strong personality of Absolute 56 FLY is expressed in its striking lines as well as in the interiors, featuring **comfortable, refined** and highly **practical spaces**.

Numerous **storage areas** make life easier and comfortable onboard while keeping things tidy in the sleeping area as well as in the living area. There is also a fully equipped, modernly designed kitchen and an area for a washer-dryer in the lower deck hallway to make sure you will never miss being at home.

The sleeping area will provide plenty of room to sleep in comfort. The **full-beam owner's cabin** in the bow is designed to ensure privacy and convenience, as well as outstanding views through large windows. Its modern interiors are embellished with sophisticated features, transparent details between the cabin and bathroom, and textural contrasts. As spacious as a second owner's cabin, the **VIP cabin** is also full beam. A comfortable **third cabin with single beds** and a **double crew cabin** complete the sleeping area. With no inner steps, all lower deck cabins make the most of heights and volumes, with surprisingly large windows for **unrivalled morning views**, with plenty of natural light flooding in.

Natural light and beautiful views are a highlight to enjoy in every area of the boat: the boundaries between the boat and the sea are blurred by **transparent panels** in the cockpit area, as well as by the open railing, offering excellent visibility from the main deck. The visual experience becomes even more immersive thanks to **large electric windows**, to enjoy the view even when you are comfortably seated in the saloon, while also bringing some fresh air in.
