2022 Absolute Navetta 48 - Spacious and Light with Great Price and Low Engine Hours Discover the Essence of the Navetta Line Space and light merge into a single concept: the real protagonist aboard the Navetta 48. With this yacht, Absolute has captured the essence of the Navetta line. This comfortable boat is perfect for long journeys: she has ample storage spaces, such as large closets, and an aft crew cabin with a private head accessible from the stern platform.

## Unparalleled Outdoor Space

The Navetta 48's outdoor space is unparalleled compared to similar boats in this segment. It offers very high liability and comfort throughout the exterior accommodations.

## The Flybridge

The flybridge has no steps from front to aft, and the dashboard is centrally and ergonomically placed to accommodate a sun lounger that can hold up to five people. Aft on the bridge is a spacious living area with a U-shaped sofa, a teak dining table, and a galley equipped with a refrigerator, an ice maker, a barbecue, and a sink. All these amenities make the terrace the perfect spot to enjoy the most beautiful hours of the day.

## The Bow

Moreover, the bow is easily accessible via walkways, protected by the fly's cover, and offers a comfortable, modular relaxation area.

## Endless Views and Luxurious Accommodations

The lower deck of the Navetta 48 boasts three cabins, two heads, and four sliding doors that maximise liability. All cabins have ample windows for unparalleled panoramic views.

### Master Cabin

The master cabin is raised and placed transversely to the bow. This main suite represents the result of meticulous and unbiased engineering, covering a remarkable surface for yachts of this size. Its large double bed has plenty of room at the sides, and the ceilings are considerably high. The furniture includes a large closet and a vanity area with a seat and a desk. Additionally, the head is en-suite and has a separate full shower.

### VIP Cabin

The half-beam VIP cabin has all the features of the master one but is placed aft.

### Guest Cabin

The third guest double cabin has separate berths for added convenience. In summary, the 2022 Absolute Navetta 48 is a yacht that blends space and light, delivering unparalleled comfort and liability outdoors and indoors. With a great price and low engine hours, it offers an exceptional opportunity for long and luxurious voyages.
