

Absolute Navetta 52 - 2016

This Absolute Navetta 52 is a credit to its owner, presented in such stunning condition! A very capable coastal cruiser with distinctive Italian lines is sure to impress. Fitted with two Volvo Penta IPS 600-435 hp (only 1000 engine hours), and a Kohler 17.5 kW generator - If you're looking for a family yacht with realistic running costs, the **Absolute Navetta 52** is the obvious choice. Absolute.Absolutely. Sixteen metres of pure Absolute innovation with luxurious comfort, elegance, and performance, this modern-day performance trawler is equipped with all the accessories needed to make you feel at home and with tasteful design and decor. The Volvo Penta IPS propulsion grants excellent performance and reduced consumption, and from all rooms, you are treated to breathtaking panoramic views. This planning Navetta is characterised by her robust but harmonious appearance, with a large upper deck and expansive glass windows. Inside the main living room, you can experience a 360-degree view and enjoy much higher livability than on similar-sized boats. The steering position is ergonomic and panoramic, with a leather-covered steering

wheel and the possibility of having two driving seats. EmpirBus automation technology is integrated into the dashboard, directly accessible from the bridge. The lower deck accommodates three cabins—two doubles and one twin—and two bathrooms. Moreover, the cabin for the crew can be equipped with a bed and a bathroom accessible from the stern platform.
