

Absolute Navetta 52 - 2022

2022 Absolute Navetta 52

The Absolute Navetta 52 features unsurpassed comfort and elegance while in harmony with the sea - and this boat is no exception! This Navetta 52 offers significantly higher livability than other similarly sized yachts without sacrificing performance or reliability. The fly area has a well-equipped helm area surrounded by sofas, an outdoor galley with a comfortable dining table, and a panoramic terrace. At the bow, spacious, modular sun loungers are highly versatile and encourage socialising. Inside the main saloon, the 360-degree view makes you almost feel surrounded by picturesque windows displaying the ocean. The decor is elegant and refined. The spacious galley is well-equipped and is easily connected to the cockpit to create a functional open space that overlooks

the water. The helm station is modern and ergonomic, integrated with EmpirBus home automation technology, and equipped with a comfortable side door to ensure the shipowner's full autonomy, even during manoeuvring operations. Thanks to the Volvo Penta IPS propulsion system, the performance is excellent, and the fuel consumption is reduced. The lower deck has sliding doors for space optimisation and includes three cabins: two doubles, one twin, and two heads. The ceiling height is excellent, and the space is maximised to the fullest, providing every guest with the ultimate livability. The spacious full-beam master cabin is midship. It has a large double bed, a desk, a vanity area, and panoramic windows on both sides. The walk-in closet, the low pieces of furniture along both sides and the drawers under the bed ensure maximum comfort when storing luggage. At the bow, the VIP cabin is generously furnished and, with its colour contrasts and great brightness, contributes to its elegance. Finally, the third bedroom has two single berths.

General

Year:	2022
Price:	€1,270,000
Additional Charges:	Plus GST, Duty & Freight
Boat Type:	Power
Hull Type:	Planing Motoryacht
Location:	Europe
