

Absolute Navetta 53 - The Absolute Momentum New Model

NEW NAVETTA 53 MODEL 2024

This new 53 was officially presented at the 2024 Cannes Yachting Festival. The new hull line refines this unit to make it more modern. The significant change comes from the aft part, which gives the cockpit a space directly overlooking the sea. The choice to open this part of the boat was inspired by the FLY range, which already benefits from this new deck plan and has met with many pacifiers during the last shows. The front has also been redesigned to become a modular, user-friendly relaxation area. **Absolute** also offers the option of solar panels on its hard top, which automatically manages battery charging. The interior evolves discreetly and combines precious woods, leather and other precious materials, creating a refined ambience. The large glass surfaces and notable height underline the perception of being on a large unit. The new dimensions of portholes and windows offer the pleasant sensation of being in contact with the sea while sailing or at anchor, creating an undeniable feeling of relaxation. Innovative comfort criteria and modern propulsion systems characterize this ship. A new slender profile highlights the striking originality of the design, an icon of a boat with a decisive personality. A new broadside with a wide opening contributes to the latest image of the brand. This new, innovative concept of habitability is deployed on three decks. The main deck can be lived indoors and outdoors to make the most of all the common areas. An open architecture accentuates this functionality and challenges the barriers that traditionally distinguish between the stern and the cockpit. The lower deck is dedicated to the night and is designed with three cabins. The master cabin is always in the aft part. It has a private bathroom of generous dimensions and a large porthole offering a magnificent panoramic view, making this environment exclusive: a true floating suite!

General

Year:	2026
Price:	\$POA
Additional Charges:	*Price is for the base boat landed and commissioned in NZ with all duty and taxes paid, ready to sail away. Prices are subject to currency and shipping fluctuations.
Boat Type:	Power
