# New Model Navetta 58 – The Absolute ‘Andromeda’ Replacement for the original Navetta 58

The **Navetta 58 “Andromeda”** brings a fresh design language to one of Absolute’s most popular size classes. Her silhouette is clean and purposeful: “squircle” hull windows that flood forward sections with natural light, glass bulwarks in the cockpit to preserve sightlines, and a truncated transom that makes stepping to the water feel natural. The cockpit is fully shaded under the flybridge and designed for flexibility — arrange it for relaxed cruising, reconfigure for al fresco dining at anchor, or clear space entirely for tender operations. A large stern platform, available in a fixed or integrated automatic ladder configuration, completes a beach club-style aft end that has become a signature of modern Italian motor yacht design.
