

Luxury 68ft Steel Trawler – Comfortable Long-Range Passage Maker

Wake up to panoramic views from the master cabin aboard this 68ft steel trawler, built for long-range cruising in total comfort. Powered by twin Yanmar 440 HP engines (only 635 hrs) with a 2,000 nm range, she cruises at 11 knots and carries all the equipment for serious adventures — Kohler 25 kW generator, bow thruster, watermaker, full Raymarine electronics, and air conditioning.

Enjoy premium touches such as a hydraulic swim platform for effortless water access, four spacious cabins for eight guests plus crew, and a bright saloon with a fully equipped galley for extended stays. With robust steel construction, huge fuel and water capacity, she's ready for bluewater passages or luxurious liveaboard life.
