Azimut Magellano 43 2017

2017 Azimut Magellano 43 Experience Italian craftsmanship and long-range cruising capability aboard this beautifully maintained 2017 Azimut Magellano 43. Designed for comfort, efficiency, and elegance, this semi-displacement flybridge yacht is the perfect blend of performance and style, ideal for weekend getaways or extended journeys in Southeast Asia. Powered by twin Cummins QSB 6.7 355hp diesel engines with very low engine hours of about 270, accurate as of 5th May 2026, this Magellano 43 offers smooth cruising and exceptional fuel efficiency. She is fitted with full tropical specifications, including reverse-cycle air conditioning, a hydraulic gangway, Raymarine navigation electronics, and the Joystick EasyDocking system for effortless handling. She has an 11kVA Onan generator. Key Features: Tropical air-conditioning package for year-round comfort, Hydraulic gangway and extended swim platform, Spacious flybridge with seating and sunbathing area, Semi-displacement hull for efficient displacement or planning speeds, Sleek, modern Italian design with high-end finishes, 2 Ensuite cabins + bonus utility/guest cabin. The interior features a

bright and airy salon with panoramic windows, a fully equipped galley, and refined finishes throughout. The two main cabins have ensuite bathrooms, while the third cabin can be used for guests or storage, offering flexibility for family cruising or entertaining. Whether you're exploring the waters of Singapore, Malaysia, or Thailand, the Azimut Magellano 43 is a proven performer in tropical cruising conditions. Her seaworthiness, comfort, and Azimut pedigree
