

Azimut Magellano 53 (2015)

Azimut Magellano 53 flybridge model is a perfect yacht for long cruises that ensures cruising that is always gentle in different sea conditions. This yacht is dedicated to people who know the importance of comfort in long journeys and love sophisticated aesthetics. Slender lines, an excellent balance of forms and all the elegance of Italian design make her a charming residence overlooking the sea. On the bow side is a living area with spacious seats where you can relax and rest in complete tranquillity. The flybridge is surprising and offers an exclusive vantage 360° point for experiencing in the utmost comfort. The cockpit is a terrace overlooking the sea, a theatre for the spectacle offered by nature. The exclusive dining area offers a horizon view for picturesque aperitifs at sunset and breakfasts under the morning sun. The living room's large windows provide a 360° perspective of the sea, an unprecedented view and incredible brightness in every area. On the Lower deck is a sizeable sleeping area: three cabins designed to offer the utmost comfort and a utility room for comfortably storing everything required for the journey. The versatile space ensures

the utmost comfort for all guests, allowing them to experience the sea according to their requirements. Each cabin offers the privacy required to care for oneself and experience complete well-being.
