Clipper Cordova 60 Series II Sold by YFG

New layout and lifted Ònishes herald a new era for Clipper
The Cordova 60 is one of the prettiest boats in today's Clipper Óeet.
It's got a balanced motor yacht line, rather than that the 'clunkiness' of a trawler, and now the Series II version has something else. This is a new-generation Clipper with a more practical layout by way of a big aft galley and hopper window, single-level salon and helm deck, plus lifted Òt and contemporary Ònish. These things help put the traditional Clipper marque in front of today's luxury-Motoryacht buyers. There's still the semi-displacement hull that Clipper espouses for economical passage making and a get-out-of-trouble fast clip of 20 knots-plus. But if you like to mix up your motor cruising with some entertaining, this new Series II Cordova 60 is for you

GENERAL

Year:	2015
Price:	NZD$1,900,000
Additional Charges:	None
Boat Type:	Power
Hull Type:	Semi Displacement
Location:	Auckland
Engine/Fuel:	Diesel
Hull Material:	GRP

DIMENSIONS

Length:	60 ft
LOA:	18.6m
Beam:	5.12m
Draft:	1.57m
Displacement:	26.8 ton

ENGINES

No. of Engines:	Two

Engine Monitoring System: Cummins Smartcraft vessel view multi-function units at the helm and flybridge stations

Sonar: Simrad – Forward scanning system

VHF: Simrad – Wired HS90 and 2x wireless HS 35 handsets

Other: Fusion Audio System

Satellite: KVH TracVision DVB

Searchlight: Installed with controls at the helm

ELECTRICAL INSTALLATION

12 V DC, 24 V DC, 240AC and Shore Power

Connector

Alternators: 2x 24 v DC off main engines

Generator: 22.5KVA Generator: Onan MDKBT/U

Generator Serial No: Al 30445744

Batteries: Total 8 batteries

Other Equipment: Automatic Battery Chargers Inverters: 3000 watts installed

PUMPS

Bilge: 5x Electric pumps

Fuel Transfer: Electric pumps

Freshwater / Macerator: Electric pump arrangements

Watermaker / De-Salination: SK, 95 Litre/Hour, Model SC-600

TANKS

Fuel Tank: Total 5800 Litre, 2x 2150, 2x 750

Fresh Water Tank:1x 1500 Litre

Blackwater Holding Tank:1x 418 Litre

Grey Water Holding Tank:1x 418 Litre

ACCOMMODATION

8 Berth & 4 Cabins

Master with ensuite – Full beam

VIP guest cabin – Double

2x 2 berth single cabins

Guest bathroom with shower and toilet

Wheelhouse: Single helm chair, electronic navigational and communications instruments and devices repeated on flybridge but with two helm chairs
