

Greenline 48 2023

The flagship of the Greenline family is the next green innovation that complements the current range of Greenline 33, 39, and 40 while presenting exciting new features such as a new interior design, NextGen Hybrid system, comfortable flybridge, two en-suite guest cabins, hydraulic platform, utility compartment under the saloon, and much more. The Greenline 48 Fly is powered by twin 2 x 370 hp Yanmar diesel and electric motors. The two motors also act as generators in diesel mode, charging three large Lithium polymer batteries. The batteries are also charged by solar and shore power – so the boat uses four energy sources. She doesn't have a conventional generator because it is unnecessary. This is a remarkably efficient cruiser and is the first production hybrid vessel of its type. Great for those who want to do coastal and near island long-distance displacement speed cruising in comfort with low operating expenses, she's hard to beat. 3 Cabins & 3 Heads & Showers 2xYanmar 8LV 370 370hp Shaft Drive Only 50 Engine Hours Solar Panel system 2x330w

General

Year:	2022
Price:	\$1,470,000
Additional Charges:	Plus GST, Duty & Freight
Boat Type:	Power
Hull Type:	Semi Displacement
Location:	Europe
Engine/Fuel:	Diesel
Hull Material:	GRP

Dimensions

Length:	48 ft
LOA:	14.99m
LWL:	49'2 ft / 14.99 m
Beam:	15'9 ft / 4.80 m
Draft:	295'3 ft / 90.00 m
Bridge Clearance:	Bridge Clearance: 13'5 ft / 4.10 m
Displacement:	Displacement: 13,800 kg

Engines

No. of Engines:	2
Engine Brand:	4 Yanmar
Engine(s) HP:	370 hp
Cruising Speed:	11 Knots
Max Speed:	16 Knots
Hours:	15
Other Specs:	2xYanmar 8LV 370 370hp Shaft Drive Only 50 Engine Hours

Builder / Designer

Builder:	Greenline
