

Lagoon 400 S2

Lagoon 400 S2

Lagoon 400 S2 from 2014, in 4-cabin version with 2 large bathrooms. This Lagoon catamaran model is well thought out for family or big group sailing. The 40ft size means she's easy to manage, but the design has given an impressive amount of living space in both the cockpit as well as the cabins. The 2 bathrooms with separate showers give a comfort level close to the owner's version. Poe Miti is well equipped for cruising with 2 large fridges, 520W of solar, 540Ah of battery power (2019) a large inverter 200W and a 100l/h water maker. There is an electric winch to make hoisting the mainsail easy, all the rigging for a code zero, nice bimini on the helm station and up to date security equipment. The Lagoon 400 S2 can sleep 10 people thanks to the 2 forward peaks set up

with bunks and one could even add 2 extra with the drop-down saloon table.

General

Voor		2014	
Year: Price:		2014 \$763,934	
Additional Charges:		Plus GST & Dut	
Boat Type:		Catamaran	у
