INNOVATIVE SPACES FOR SEA-BORNE EXPERIENCE

The **Navetta 66** redefines how you connect with the sea, offering a wealth of spaces designed to celebrate outdoor living in all its forms. The expansive **flybridge** is a true all-day retreat, seamlessly combining helming, dining, and lounging zones. Modular furnishings allow for effortless reconfiguration, adapting to every moment on board. On the main deck, an uninterrupted visual dialogue with the water is created through transparent gunwale glazing—enhancing the sensation of openness and elevating the yacht's outdoor allure. The foredeck is a haven of comfort, fully equipped for relaxation, while the **cockpit terrace** is enhanced with a new privacy awning for serene, sheltered enjoyment.

From here, a few steps lead to one of the yacht's standout features: the innovative **fourth cabin**, positioned just above sea level. This versatile stateroom includes a settee that effortlessly transforms into a double bed at the touch of a button, creating an intimate, sea-borne escape like no other. Whether you're enjoying a breathtaking view from the flybridge or relaxing on the foredeck, the **Navetta 66** offers a seamless flow between luxurious comfort and the natural world that surrounds you.

NAVETTA 66 – THE ABSOLUTE AURORA: WHERE LUXURY MEETS LIGHT

True to Absolute's design philosophy, the **Navetta 66**'s interiors are bathed in light, showcasing clean lines, harmonious proportions, and refined materials. A constant quest for beauty and elegance is reflected in the use of natural timbers, premium ceramics, and light-toned finishes, creating an atmosphere of understated sophistication. The extensive glazing and generous spaces allow daylight to flood every corner, enhancing the connection between the interior and the surrounding seascape. With exceptional headroom, minimal use of steps, and sliding doors, the yacht optimizes comfort and movement throughout.

The interiors are offered in two sophisticated color schemes: ***Sunrise***, bright and radiant, and ***Sunset***, deep and refined. Two stylistic interpretations that enhance light and space, allowing for a truly personalized onboard experience. Every detail—from the selected woods to the artistic ceramics—contributes to a perfect balance between modernity and understated luxury.

The **saloon** features an innovative dining table with electric height adjustment and six freestanding chairs for ultimate flexibility, while a low glass partition subtly separates the galley, preserving a sense of openness. A retractable flat-screen TV can be raised or lowered to optimize views through the panoramic windows. The main helm station, with its new, distinctive seating design, perfectly marries comfort and style, offering an elegant, functional space for navigation.

A LUXURIOUS LIVING EXPERIENCE, ABOVE AND BELOW DECK

Below deck, the **forward owner's suite** is a sanctuary of light and space, with vast windows offering stunning views and an ensuite bathroom, where Absolute's signature rounded furniture corners harmonise with mirror, shelves and ceiling profiles. The **stern VIP stateroom** is equally impressive, with a king-size bed made possible by a clever layout that eliminates intervening doors, allowing for an uninterrupted flow of space.

Midships, the **twin guest cabin** offers additional accommodation, perfect for family or guests, while the fourth cabin serves as a versatile space, ideal as a private retreat or an extra stateroom for guests. Completing the layout are the dedicated crew quarters, ensuring seamless service and an uninterrupted experience on board.
