

## New Selene 80 Classic – ‘Goes Fishing’!

Some exciting news to share with you..... We're introducing the latest offerings—the **Selene 65** and **Selene 80 Classic 'Fisher' models**, two fabulous new designs that feature the best of both worlds. First up is the **Selene 65 Classic Fisher**. This model stands out with its distinctive BEAM, providing enhanced stability and space for water adventures. The Selene 65's hull mould has been carefully designed to offer superior performance and durability, ensuring a smooth and enjoyable journey every time you set sail, whether exploring or fishing from the newly designed cockpit. On the other hand, the **Selene 80 Classic Fisher** has a different BEAM and hull mould than the Selene 65. This model is ideal for those seeking a slightly larger vessel with added features and amenities. The Selene 70 promises unmatched comfort and performance, making it a fantastic choice for extended explorations and fishing trips. We believe both models will exceed your expectations and provide unforgettable experiences on the water. Whether you prefer the sleek design and agility of the Selene 65 or the spacious luxury of the Selene 80, there's a perfect fit for

every explorer and fishing enthusiast.
