

RHEA Timonier 36 Version " GRAND LARGE" Dark Blue

With its elegant lines and classic sea excursion appearance, the Rhea 36 Timonier, offers all the necessary comforts for cruising. Modern in design, the Trawler 36 can ground safely thanks to the shape of its hull and the protected propeller and rudder. In addition, its carefully designed hull offers limited drag and a sharp clean entrance whilst the tunnel propellers optimise consumption. With the kitchen placed between the lounge and the cockpit, Rhea Timonier 36 provides important ease of use in interior design. Details such as the window that can be folded into the ceiling when the back door is open or the cockpit that becomes whole when the backdoor is opened towards the sea, the cookstove and lounge compact provide an extraordinary living space. With distinctive features in the inside fitting and design, Rhea Timonier 36 provides the highest level of comfort both in daily sailing and long-distance sailing.

General

Year:	2014
Price:	\$NZ\$595,000 landed in Auckland
Additional Charges:	None
Boat Type:	Power
Hull Type:	Semi Displacement
Location:	Offshore
Engine/Fuel:	Diesel
Hull Material:	GRP

Dimensions

Length:	36 ft
LOA:	37'
Beam:	13'
Draft:	3'
Displacement:	19842 lbs

Engines

No. of Engines:	Two
Engine Brand:	Volvo Penta D4
Engine(s) HP:	225 hp
Cruising Speed:	11-18 Knots
Max Speed:	27 knots
Hours:	800 hours

Builder / Designer

Builder:	Rhea Marine
----------	-------------

Tankage

Fuel:	118 Gallons
Water:	110 Gallons
Holding:	44 Gallons

CONSTRUCTION

- Sandwich with isophthalic polyester resin
- Balsa/PVC core.
- Dark Blue Hull Color
