

Sail in Style – 2021 Solaris 44 Now Available

2021 Solaris 44 – Elegant, Easy-to-Handle Cruiser with Premium Features

Step aboard the **2021 Solaris 44**, a sailing yacht that masterfully combines Italian design, performance, and onboard comfort. Built for both experienced sailors and leisure cruisers, this 44-foot vessel offers intuitive handling, luxurious accommodations, and a layout optimized for short-handed sailing. Designed with versatility in mind, the Solaris 44 features electric winches positioned within reach of the helm stations, allowing smooth and efficient maneuvering. The cockpit layout is open and flexible, with no fixed table, giving the crew full access to deck space during navigation. Below deck, the yacht offers a refined living experience with air-conditioned cabins and saloon, a well-equipped galley, and a spacious dining area. The three-cabin configuration includes a private master suite at the bow and two guest cabins aft, making it ideal for

family cruising or hosting guests. Whether you're planning coastal adventures or longer offshore passages, the Solaris 44 delivers a balanced sailing experience with comfort, control, and style.
