

Selene 42 Europa - One in New Zealand

Selene 42 Voyager Sedan - Long Range Coastal Cruiser

The Selene 42 Voyager Sedan is a newer design (2012), that Selene Yachts has developed based on the original « Selene 42 Archer » hull with a new superstructure and European, Floridian or Mediterranean flair! The yacht is designed with a single Cummins QSB 230HP or John Deere 180HP Diesel engine. The two-stateroom layout has a beautiful teak interior and a well-equipped galley. Compared with the Selene 42 Archer, it offers a more spacious salon, flybridge and engine room. The enlarged fuel tanks of 700 gallons (2650 l) will guarantee longer cruising range.
