

Selene 52 Ocean Explorer New Model

Selene 52 Ocean Explorer - A Creative Three-Cabin Layout

The **Selene 52 Ocean Explorer** is a larger sibling of the **50 Voyager Sedan** model, with an immense superstructure and the same European flair. The yacht features a beautiful teak or optional cherry interior, along with a well-equipped, sea-going U-shaped galley to port. Compared to the Selene 42 Voyager Sedan, it offers one more cabin and head, a more spacious saloon, and additional storage. For many people, the large flybridge, complete with an optional hardtop, will be the highlight of this yacht. The original design of the owner's cabin, located forward with a walk-around berth athwartships, leaves more space for nightstands and large wardrobe lockers. The Selene 50 Voyager Sedan epitomises gracious styling and transports her passengers with the

utmost comfort and performance...
