

Selene 58 Classic One in Auckland

The **Selene 58** is from Jet Tern's most recent **Next Generation** mould. It features significant increases in length and volume. Built on the proven concepts of other of her **Next Generation** sisters, the hull offers increased efficiency, the Cruiser Stern™, 6'2" standing headroom in the engine room, and an entirely new layout of the salon/galley/pilothouse reminiscent of the **Selene 60**. Like all **Selene** yachts, she features fabulous interior woodwork, exotic granite, a selection of glamorous draperies and fabrics, and high-quality European lighting and interior fittings. She is designed for extended cruising in style, comfort and safety.
