

SIRENA 64 2018

Every centimetre of the Sirena 64 is organized to live unforgettable moments. It's the perfect combination of Italian charm and Turkish craftsmanship in an innovative structure. Able to glide at high speed or proceed in cruise mode, with low fuel consumption: Sirena 64 is suitable for adventure and family outings. A luxuriously minimalist house on the water, with a living room of over 33 square meters, three cabins with en suite bathrooms, a flybridge made of carbon fibre, a hydraulic swimming platform, a crew cabin with direct access to the engine room and a main cabin of 24 square meters. Sirena 64 is all of this and much more. Ordered and owned by an experienced sailman, this boat has everything for long travels worldwide and is fitted with all the possible extras.

The boat was captain-sailed and maintained and is in excellent condition.
